## DIRECTIONS FOR PRINTING

1. Open the item to be printed (word, internet, pdf, etc.).
2. Go to the lower right-hand corner of your screen and click on your internet access icon - which should look like this:

3. When your internet access panel opens, double-click on **HP-Print-d7-MSFRIC1**.

4. Click on print within your program and select print. **MSFRIC1** should be the default printer.
5. After printing, in order to connect back to the Internet, Reconnect to AUCIS. Follow the same process as in step 3 But this time, double-click on **AUCIS**.
